Upstream Oil & Gas

Mobile OEM

GHX Industrial is a highly recognized value-added distributor and fabricator of industrial gaskets and hoses, with fabricating warehouses throughout the United States. We inventory a wide range of gasket materials, hoses, fittings, textiles, and expansion joints. GHX is able to cover a broad spectrum of applications for the industries we serve.

GHX is a leader in providing solutions to static sealing (gaskets) and fluid transfer (hoses) with top quality fabrication capabilities and programs tailored to help our customers in reducing downtime and increasing throughput.

GHX Industrial has a specific strategy and systematic approach toward our customers in the distribution of our products. We concentrate our time and efforts with one bottom line focus. To lower your risk, make your life easier, and improve your competitive advantage. We call it **The Expert Fit®**.

CHOOSE GHX

FOR ALL THE RIGHT REASONS

- Industry Recognized Leader in Hose & Gasket Fabrication
- Localized Manufacturing and Service with fabricating centers throughout the United States
- Engineering & Technical Support
- ISO 9001:2015 Certified and Compliant
- E-commerce & EDI Capabilities
- Adheres to NAHAD Hose Safety Institute Specification & Assembly Guidelines
- Lean Distribution and Manufacturing
- Recognized as a Continental ContiTech STAR Distributor
- Consistency in Product, Price, and Packaging
- Provides Inventory Storage and Handling
- On Site Inventory Management
- Project & Turnaround Management
- Site Product and Application Surveys
- Prompt After Hours Emergency Response
- ABS & DNV Type Approvals

VALUE ADDED SERVICES

- Kitting Services
- Drawing Documentation & Archiving Services with GHX Tracker
- CAD
- Turn Around Management Services
- Custom Spiral Wound Gaskets
- Custom Non-metallic Gaskets
- Atom Flash Cutter – Custom Cut
- Gaskets
- Hydraulic Cylinder Repair
- Mechanical Seal Repair Facility
- RFID Hose Tracking
- Hose Testing and Certification
- Hose Repair and Refurbishment
- Hose and Gasket Surveys
- Custom Metal Hose Fabrication
- Rotary and Vibrator Hose Fabrication
- Belt Fabrication
- Field Belt Installation & Inspection
- Vendor Managed Inventory Service
- PTFE Lined Pipe Fabrication
- On-Site Hose Testing

NATIONAL ACCOUNT FOCUS

- Aligned with Customer Objectives
- Identify and develop new National Account customer opportunities
- Structured Implementation
- Single Point of Accountability
- Team approach with local support personnel
- Uniform Pricing & Service
- Cost Savings Management
- Quarterly Business Reviews
- 100% Satisfaction

FABRICATION SERVICES WITH MCCARTY EQUIPMENT

- Hydraulic Hose Assembly Fabrication
- Bulk Transport Hose Assemblies
- Cement Fracturing Hose Assemblies
- Grade D and Grade E Test Rotary and Vibrator Fabrication
- Slim Hole Rotary Hose Fabrication
- Choke and Kill Hose Fabrication
- Blowout Preventer Hose (BOP) Fabrication
- Steam Hose Assemblies
- Chemical Hose Assemblies

GHX is a proud member of the NAHAD Hose Safety Institute which sets the guidelines for hose specification and fabrication. The guidelines provide a comprehensive set of minimum performance recommendations for the specification, fabrication and design of industrial and hydraulic hose assemblies, all focused on ensuring hose assembly safety, quality and reliability.

As a STAR distributor, GHX is part of an exclusive Continental Select distributor group who maintain the highest level of hose assembly standards to provide their customers greater assembly integrity and dependability. All STAR distributors have been independently audited by Underwriters Laboratories, Inc. (UL) to verify each STAR assembly location follows the NAHAD Assembly guidelines, Industrial Hose Crimp Specifications, has the proper equipment, and uses Hose Trakker™ Online.
